Fully renovated and lifestyle located, this is the place to make your Bayside entry! Situated in the heart of Highett's fastest growing locale, this great ground-floor 2 bedroom apartment offers an exciting entry to an in-demand beachside-of-the-line address with up-to-the-minute style against the backdrop of yesterday's immense proportions and whisper-quiet solid-brick construction. Scaled up with space to lounge and dine behind a wide sliding-door in the sunny living zone and room to retreat (or fit a workspace) in the massive master bedroom, this sizeable apartment is styled out with a breakfast-bench for the sleek modern kitchen, and a private WC plus a well-defined laundry area for the huge (and hugely stylish) bathroom. Featuring timeless timber-look floors, privacy-enhancing dual day-night blinds and sparkling designer lighting, this fresh, bright, all-white home shines with practicality with an abundance of storage (including deep hall-closets and built-in robes) and carport parking at the door. Representing a remarkable opportunity to secure a place at the heart of Highett's newest neighbourhood and fastest developing lifestyle location, this is ground-floor entry is just 250m from Highett Rd's rail, retail and restaurant strip, with new bakeries, breweries and gyms all around ...and Bayside's newest parklands almost over the back fence.
