Perfectly perched on the top level of a complex on the high side of the street, this outstanding unit has so much to offer. They don't build them like this anymore. Solid and spacious, units such as these are highly sought after for the comfortable living they offer now, and the mouth watering opportunity for adding value in the future. Features include but not limited to: - 2 well sized bedrooms with built in robes - Spacious open living and dining space - Air conditioners and ceiling fans - Low maintenance flooring throughout - Freshly painted interior - Huge tandem lock up garage with extra storage space - Covered North East facing outdoor entertaining area - 123m² of total space - Functional kitchen and bathroom - Perfect as is or add value through renovation. This home will be your castle, but when you do venture out, you'll be delighted by the fact that you can walk to the area's best cafes, restaurants, parks and schools. When you need to go a little further, the City Cat, buses and even trains are all within walking distance as well. Act quickly. Now is definitely not the time to hesitate!!! Property Code: 2
