Coastal Bliss: Modern Living with Stunning Water Views

Modern living harmonises seamlessly with classic appeal in this beautifully breezy two-bedroom apartment. The strong coastal vibes of the spacious interior are a fine match for the water-front location, making this a sea-change opportunity you don't want to miss out on! The size of this unit is one of its best features!

Located just across the road from the smooth blue waters of the Wallis Lake channel, the apartment is in an ever-popular complex close to everything. This is a brilliant investment for those who want to be close to the beach and lake, without compromising on the convenience of the centre of town.

Indoors, the tastefully updated interiors are a spacious reminder that they simply 'don't build apartments like they used to'. The impressive floor plan is anchored by the roomy and open-plan living and dining room, where warm timber floors and masses of natural light help make every day feel like a holiday.

Adjoining this space is the gourmet kitchen, where an eye-catching feature wall complements the upmarket cabinetry and reliable stainless-steel appliances. This is a spot that's entertainment-ready and made more so by the easy access through sliding glass doors to the stunning balcony. From here you can enjoy peaceful yet visually stunning views of the calm channel waters.

The two large bedrooms inside are both carpeted, and the master comes with built-in robes. They have easy access to the elegant central bathroom, home to a separate bath and shower. The toilet is separate and doubles as a powder room.

Handy additions include an in-house laundry room, which leads into an enclosed, generous-sized storage room (this room is perfect for anyone wishing to Air B n B the property). This is in addition to the storage offered by the double linen cupboard and of course, all the space on offer in the remote lock-up garage (1.5 single size) the apartment has exclusive use of.

With its prime positioning, it's stylish interiors, and spacious design, this home will tick plenty of boxes for large groups of buyers. Please get in touch with Carlie Basham at JKL to register your interest before it's too late!
