An Untouched Original with Brilliant Promise

An exciting project of potential, this classic 2 bedroom brick residence enjoys an eye opening interior on a generous garden allotment.

Inspiring with its high raked ceiling that creates an open and airy feel in the living and dining areas, this roomy home has a retro kitchen with room for updates, 2 double bedrooms with built in robes, a skylit bathroom, separate toilet and a traditional laundry with access to the rear garden - where you'll find so much space to explore your landscaping talents or enjoy the idyllic privacy.

A home you can move straight into and make your improvements in time, with the modern comforts of reverse cycle air conditioning, security doors and a lock up garage.

In this community like court with visitor parking and open green space, around the corner from the general store and 858 bus to Chelsea station and shopping hub, walk to Chelsea Bicentennial Park and Chelsea Recreation Reserve, while minutes to the primary school and beautiful beachfront.
