ABSOLUTELY PERFECT SOLID INVESTMENT OR FIRST HOME

Good size property located on the top, second floor, in a small complex of only 8 apartments with the perfect North aspect, allowing great cross ventilation and natural light.

A key feature of this property is its lockable and separate garage for 2 small cars, boat, jetski.. or just plenty of storage. Laundry is located at the back of the garage with a very handy rear door access to your own clothes line, in the side yard of the property...very rare indeed!

Great North balcony with access from the open plan living to enjoy the sea breezes and the quiet afternoons with privacy.
