Prime Location, Epic Views and Comfortable Design

With the lake waters on your doorstep and the beaches of Forster and Tuncurry nearby, you couldn't ask for a better base for your new coastal lifestyle. This low-maintenance gem of an apartment has exquisite views, is comfortable by design and sits ready to move into or rent out!

Point Road runs adjacent to Lake Wallis for its entire length, and this boutique complex is in an enviable position on it, directly across from a small harbour. The exposed brick three storey façade sits amongst lush and well-maintained gardens, and the apartment has its own dedicated remote lock up garage.

Located on the first floor, entry is into the expansive lounge and dining room area. Thick lush carpets sit underfoot, while your eye is drawn to the sliding glass doors leading to the private balcony. From here, you can enjoy stunning views of the boats and water across the road.

Adjacent to the living area is the well-equipped kitchen, a homely space with timber benchtops and ample cabinetry. Lovely views will accompany your gourmet journey, which will be supported by an electric cooktop, oven and rangehood.

The floorplan has been thoughtfully designed to maximise available space, and as a result the two bedrooms are generous in proportions. Both come with built-in robes and deluxe carpets, and they enjoy easy access to the main bathroom, where you'll find a separate bath and shower as well as a toilet and vanity. There's also the handy touch of having an internal laundry room, which is accessed off the kitchen.

Just four minutes' drive from the beach and five minutes from the centre of town, everything you need is within easy reach in this home. We'd love to answer your questions, just get in touch with the JKL team today!
