Step into this lovely one bedroom, one bathroom unit in a quiet smaller style village in a great location in Ringwood with easy walking distance to Ringwood Train Station, Eastland Shopping Centre and nearby parklands. Facing North means you will have an abundance of natural light throughout the year and the warmth of the Winter sun. This open plan unit has a lovely lounge/dining area with adjoining kitchen and offers the comfort of a wall gas heater and a split system air-con/heating. Freshly painted with modern wooden floors and new window dressings means you can just move in and enjoy your new lifestyle without lifting a finger. This unit has solar panels as an added bonus. A good-sized bedroom with two built in robes giving you plenty of storage space. Landscaped private backyard with garden shed completes the picture. The village has excellent facilities including a community centre to enjoy having a cuppa while socialising with your new neighbours. The community bus takes you to Eastland each week and parking for residents and visitors is available in the village. Representing great value, this unit won't last long so don't hesitate to give Robyn a call on 0407 217 177
