Seamlessly blending the charm of a country cottage with the convenience of village life, this delightful three bedroom townhome is privately nestled to the rear of a boutique block within an easy walk of the train station, Woodend village shops, cafes, bars, restaurants, and all amenities. Boasting a gorgeous façade, the low maintenance home offers light and airy interiors, where soaring ceilings pair with timber-look flooring to create a warm and inviting atmosphere. Spacious open plan living and dining areas seamlessly interact with the stunning kitchen – boasting white marbled stone benchtops including to the island bench, an undermount double sink, white cabinetry, ample pantry storage, and stainless steel appliances, including a dishwasher. These living areas open to the private, fully fenced, low-maintenance pebbled garden, designed for a lovely connection with nature. Carpeted bedrooms include a main bedroom featuring a walk-in robe and ensuite access to the dual-way bathroom, where clean white finishes, a separate bath, and shower offer a touch of everyday luxury. The remaining two bedrooms are both fitted with built-in robes, while a powder room is a practical addition. The property also includes a remote-controlled garage with internal access through the laundry, ducted heating/cooling, a linen press, good storage throughout, and a 2000 litre water tank. A brilliant lifestyle choice!
