Buyers Guide \$679,000

Situated on the second floor in a low-rise complex of twenty-two apartments, this solidly built, north-facing pad offers light-filled living in a coveted city pocket. Featuring an ultra-desirable single-car garage located in a secure basement, this residence also offers two large bedrooms with mirrored built-in wardrobes, a renovated kitchen equipped with premium appliances, and a large living area perfect for relaxing after a long day. With unbeatable proximity to everything this sought-after suburb has to offer, there is an abundance of entertainment and hobby opportunities to be pursued just moments from the front door. Features include:

- Large single-car garage in a secure basement
- Security intercom access to entry
- Renovated kitchen with stone benchtop, laminate flooring, and air conditioning
- Large open-plan living area with updated carpet flooring
- Two spacious bedrooms, both equipped with mirrored built-in wardrobes
- Views to the north and west from two separate balconies
- Loads of natural light
- Premier location near Wollongong Mall, local cafes, and dining facilities
- Lush MacCabe Park is just 500 meters away, and Wollongong Beach is 1.7 kilometers away
- Currently tenanted until late 2024* Virtual Staging used in images*
