This meticulously maintained townhouse presents an unparalleled blend of luxury and practicality just moments from the CBD. It is nestled on a tranquil, highly coveted street within walking distance of cafes, schools, hospitals, and parks. The property spans three levels, offering spacious living areas. There are two generously sized bedrooms, each equipped with built-in wardrobes, along with two bathrooms for convenience. Air conditioning is provided in both the bedrooms and the living area. A master loft suite occupies the top floor, ensuring privacy and separation. Outside, a leafy front courtyard and two additional balconies offer outdoor retreats. Secure parking is provided with a remote garage and carport accommodating two vehicles. Privacy screen fencing and security screens enhance safety and comfort. Additionally, the townhouse features separate laundry facilities for added convenience.
