At the rear of the group and incredibly private, the accommodation is warm & welcoming, including an inviting lounge and relaxed meals area together adjacent to a well-equipped kitchen with timber cabinetry perfect for aspiring chefs. Three substantial bedrooms are on offer with built-in robes, while the master suite features a walk-in wardrobe and access to the stylishly updated skylit bathroom. Ducted heating and split system heating/cooling are among the home's standout inclusions, while a sparkling laundry, double carport, ceiling fans and ample storage complete this perfect package.
