\$280,000

Check out this fabulous conversion at Vacation Village. At the heart of it, you have a modern caravan complete with queen size bed at one end, two singles at the other, and kitchen dividing the two, then built over the top of the van is a peaked structure. That clever transformation has been designed to maximise airflow and keep the heat off the van - smart! To expand the interior living space, an enclosed hard annex has been incorporated, so this listing includes a spacious internal airconditioned living area. Ideal for your lounge or there is plenty of room for a dining table in here, but that's not necessary when you have front deck to dine out any night of the week. Your laundry and ensuite combo is a space saver! No sharing with holiday makers, this one is all yours. Keep cool with shade sails in place and there also an allocated spot for your car. If it's time for some fuss-free living in Broome, or a clever investment to make some coin over the dry season, give Blackers a call. Let's chat - 0409 113 358.
