Wiseberry Forster proudly presents an extraordinary opportunity to own a waterfront penthouse at 801/6-10 Manning Street. This exclusive property offers the best views in Forster/Tuncurry, making it a rare gem in the real estate market. Located in the Mirage building, the best-presented security building in the area, this penthouse boasts a stunning facade, tropical surroundings, a private tennis court, and a tropical pool/BBQ area, perfect for summer weekends. The apartment itself has recently undergone a major interior upgrade, ensuring that everything is brand new. From the moment you step out of the elevator, you'll be mesmerised by the iconic aqua lakes and sprawling mountain ranges of Forster/Tuncurry. The apartment features three bedrooms, each with brand new soft carpet, freshly painted walls, built-in wardrobes, brand new plantation shutters and exceptional lake views to the south east. The premier suite is a highlight, with its Italian-themed ensuite, walk-in wardrobe, and private balcony offering outstanding views. Imagine enjoying your morning coffee while watching Tuncurry's resident bald eagle feed its eaglets fresh fish from the lake just meters away, like a David Attenborough episode. The kitchen, dining, and lounge areas are flawlessly designed with marble-themed bench-tops, white gloss cabinetry, brand new stainless steel appliances, ample storage, soft-close drawers, and stained timber pendant lights and ceiling fans. The large east-facing front balcony is perfect for any occasion, equipped with plantation shutters and a BBQ bay, making it an ideal space for entertaining and creating lasting memories. Parking is no issue, as the property includes a double car remote lock-up garage in the underground security car park—a garage within a garage. Additionally, the penthouse comes 100% fully furnished with all new furniture, recently craned in, ensuring you don't have to lift a finger. Don't miss this chance to own a luxurious penthouse with breathtaking views and top-tier amenities. For more information or to book a private inspection, contact Todd Hinsby at 0409 624 193 today.
