Located in a quiet and well maintained block, this quaint 1 bedroom unit has been fully renovated and is offered for lease fully furnished. Ideally suited to a young working professional or couple, low-maintenance units such as this are a rare find on the rental market. A covered front porch welcomes you into the bright and spacious main lounge, kitchen and dining area, complete with stylish floating floors and quality double blinds throughout. The kitchen offers plenty of storage space and an upright electric stove. The master bedroom is a great size and boasts two double built-in robes, whilst the bathroom showcases quality floor to ceiling tiles and a large walk-in shower. There is a split system unit for heating/cooling, as well as an electric panel heater mounted in the lounge. The laundry is spacious with granite benchtops and extra storage. The backyard offers a covered sitting area to enjoy your morning coffee and a small garden for the green thumbs. A separate single lock-up garage at the front is ideal for parking securely or extra storage. This is an immaculately presented unit and would be perfect for somebody moving to the area for work, or just looking for a home base during the week. Due to the size, this property is not suitable for pets.
