At the end of each busy day, gaze at the gentle pink sky as it gradually turns to darkness, and the skyline awakens with the twinkling lights over Norman Park and Hawthorne. Then cast your eyes towards the river to watch the city cats, ferries and entertainment craft motor effortlessly along the water. You'll be impressed with these beautiful views from the expansive lounge. There is a separate dining area for a 6-8 seat setting, and the chef of the family will delight in the spacious kitchen, with a beautiful granite benchtop with ample working area, and plenty of cupboards for every appliance. Featuring three generous bedrooms, main with marble ensuite and walk in robe, large separate laundry, and ducted air-conditioning throughout. This Level 9 South-east facing apartment has a floor plan of 176m², of only five apartments per floor. Privacy is assured with lavish peaceful surroundings. Stradbroke Towers and Villas are predominately owner-occupied apartments, very private and quiet. An added bonus is the security guards which patrol the area between 6pm to 6am, 7-nights a week. The complex provides residents with luxury facilities including a heated indoor swimming pool, sauna, gym, outdoor BBQ entertainment area, resident herb garden, library, function room, onsite management and reception area for deliveries. Stradbroke Tower & Villas is a highly sought after residential building located in the premium Dockside precinct, with easy access to all the amenities Kangaroo Point has to offer.
