Easy care living. Ground floor unit tucked into the back corner of a small complex located in a nice quiet location. Great floorplan with bedrooms at either end of the unit. The open plan living and dining area brings the function of the home together, walk in one direction to the back patio area with views across open park land. Walk to your left to the well equipped kitchen with plenty of storage or walk down the hall to the main bathroom, toilet and internal laundry. Both bedrooms include built in wardrobes and ceiling fans. The main lounge offers both a ceiling fan and airconditioning. Allocated single undercover carport included. This property is being offered unfurnished. Please call today to arrange a private inspection. Property Code: 3752
