Easy Living on a Quiet Street, Close to Everything

If you're looking for a low-maintenance lifestyle just a short stroll from Bunnings and all the shops and amenities of Stockland Forster, this delightfully well-presented single-level villa could be just the ticket!

The front property of a sprawling duplex, 1-10 Robina Grove is a neatly kept and solidly built low-set home. The exposed brick façade and tiled roof are homely and welcoming, while the wide driveway leading to the double lock-up garage promises plenty of parking space. The verdant front yard adds to the street appeal!

Indoors, there's an open-plan design to the living, dining and kitchen area that feels good to be in. It's well-lit, and the combination of wall-to-wall tiles and carpeting is comfortable and eye-catching. The gourmet kitchen has masses of bench space and an abundance of cabinetry. With its reliable appliances, it'll appeal to chefs of all abilities.

Sliding glass doors lead out to an exceptionally neat courtyard. With a covered patio for year-round use, it's fenced for privacy and boasts an array of lovingly tended flower beds. It also has direct access to the front yard.

Back indoors, two of the three bedrooms have built-in robes, while the master has a walk-in robe and an ensuite bathroom. There's a main bathroom, which has a separate guest toilet, while the internal laundry is also very useful.

In an immaculate location just a short walk to shops, cafes and amenities, this property will appeal to downsizers, investors and young families alike. If you're looking for comfortable living in Forster's heart, get in touch with JKL today!
