A Comfortable Villa

Positioned in a small strata complex of just three villas and a location that is at once quiet and convenient. An easy walk for those who wish to access the shopping, Edgeworth Tavern and also Edgeworth Public School.

An older villa so internally the rooms are spacious and the rear yard is generous with its own cubby house.

Secure access from the yard to the garage and also to the back door.

The interior is in original condition, however, new floor coverings and a general freshen up.

Split air conditioning and window furnishings are installed.

For someone looking for a great place to call home this villa should be considered.
