## Private Villa with Large Courtyard

Spick, span, and surprisingly spacious! This three-bedroom low-set villa has everything you need for a comfortable life, whether you're a growing family, an investor, or anyone looking for a sea change! Let's take a look around...

Sitting at the rear of a duplex-style complex, the home has a long driveway offering external parking space that complements the lock-up garage. The exposed brick façade and tiled roof create a homely and welcoming ambiance, enticing you to find out what lies indoors.

Entering the home, there's a seamless flow from the foyer through the living room, dining room, and kitchen. Plenty of natural light filters through, and there's a split-system aircon unit for year-round comfort.

The chef in the family will enjoy the gourmet kitchen, boasting reliable appliances including a dishwasher, low-maintenance tiled floors, and plenty of workspace. It has easy access to the outdoor patio, through sliding glass doors, allowing for an easy indoor-outdoor lifestyle. The outdoors is a landscaped courtyard, with private fencing and well-kept flower beds and lawn.

Three generous bedrooms all boast carpets, ceiling fans, and built-in robes. They're serviced by not one but two bathrooms, the main one coming with a separate shower and bath, plus a vanity and separate toilet. The second one is accessed via the internal laundry and has a shower and toilet.

On a quiet road, just moments from Stockland Forster, the beaches, lake waters, and outdoor pursuits that make Forster so livable are all within easy reach! So why not give JKL a call and find out more? Homes like this don't spend much time on the market!
