Introducing villa 30 in the stunning and rare assisted living, Cameron Glen Village. This refreshed, 1 bedroom single level property is perfect for those requiring assisted living and/or all levels of present and future care. Live your best life the way you want to at Cameron Glen, where you're always in control. There's no other village quite like it around Newcastle or Lake Macquarie for quality living. Boasting a modern kitchen, split air conditioning throughout, ensuite, mirrored robes, freshly painted and new carpet ceiling fans, window furnishings and much more. Our modern village was completed in 2022 and is situated in a quiet residential area in Cameron Park. The area is known for its parks, recreation and a strong sense of community. The M1 Motorway and Hunter Expressway are nearby providing easy access to Newcastle, Lake Macquarie and the Hunter Valley. A range of shops, sporting and health facilities are all nearby, and we provide a regular village bus service. The area is known for its parks, recreation and a strong sense of community. A range of shops, sporting and health facilities are all nearby accessible by the village bus. The Cameron Glen Community Centre is a village hub and includes the dining room, reception and staff offices. The community enjoys an active calendar of activities, events and outings with the village bus. Enjoy the in house facilities, library, commercial kitchen, planned trips and the best yet a pet friendly village with outdoor areas and a fenced dog park.
