City Convenience with Resort-Style Living

Discover the perfect blend of city living with a holiday-inspired lifestyle in this easy-care, one bedroom villa. Tucked away from the hustle and bustle being set well back from the road, this apartment offers a peaceful retreat in a prime location with convenient access to both the City and the airport.

The open-plan kitchen seamlessly flows into the meals and family room, creating a comfortable space for everyday living.

The spacious bedroom, complete with a built-in robe and ensuite bathroom, offers both privacy and practicality.

Freshly painted and new flooring throughout, make upkeep a breeze and add to the low maintenance living.

The split system air conditioning guarantees comfort throughout the year, making your home a cozy retreat in every season.

Indulge in the resort lifestyle with amenities right at your doorstep, including a large, sparkling swimming pool, a tennis court, and a fully-equipped gym. Or sit and relax under your own pergola.

Includes a secure car bay behind security gates for peace of mind plus plenty of under cover visitors bays.

Just steps away from the Swan River and the lush greenery of Adachi Park, this location is perfect for nature lovers seeking a daily dose of serenity.

This property covers all boxes, whether you are looking for an investment opportunity, a home base for a FIFO worker or looking to get into the property market. Don't miss your chance to secure this home, contact Michaela Pinkney on 0434 917 513 today for further information.
