The Anchorage Islands is known for peaceful waterfront living. Located on the waters edge, this unfurnished 2 bedroom North-easterly aspect apartment has been tastefully renovated and ready for you to move in! Upon entry, your attention is immediately drawn to the glistening of the water and rustling of the palm trees. At this point, you know you have stepped into something special. Elevated and arguably the best aspect position of all the two-bedroom apartments in The Anchorage Islands, you will be warmed by the dawn light, yet protected from the harshness of the western sun. The apartment is also well-protected from the chilly southerly breezes. The kitchen is as you would expect in a liveable sized apartment. Generous sink space, oven, microwave, dishwasher, stovetop and oven. Storage space in the kitchen won't be missed either. Directly off the kitchen, the dining area is complemented by a large window to take in every bit of the spectacular water views. The living area seamlessly flows out to the elevated balcony, positioned to enjoy a quiet moment to yourself, and large enough to entertain. The master suite (with en-suite) and 2nd bedroom include built-in wardrobes and green leafy outlooks. The shared bathroom includes a shower, separate bath, and the laundry is tucked behind for privacy and quiet. The property has a single car garage, with a remote lockable roller door. Access is through remote security gates, giving the street complete privacy and security. There is also a tennis court, pool and quiet beach directly below the apartment. Location features: • A walk to public transportation • Endless waterfront walking paths • Leisurely walk to cafes, clubs and restaurants Please note: • You must register for inspections or you may miss out on updates, time changes or possible inspection cancellations • It is a requirement you are to view the property to be successful.
