Ideally set at the front of a small complex of only 6 units, this villa will appeal to buyers seeking lowset living, spacious internal proportions and exceptional convenience to public transport, shopping and parkland. The practical floorplan includes a spacious living/dining area, neat and tidy kitchen with modern appliances, 2 sizeable bedrooms and a large bathroom with separate bath and shower. The living/dining area opens out to a paved courtyard and garden which is ideal for outdoor dining or relaxation. There is a single lock-up garage with internal access and visitor parking within the complex. The home is needing a fresh coat of white paint internally and new carpet to the bedrooms. Positioned on an inside street, the complex is just 9km from the Brisbane CBD and within walking distance of Westfield Chermide Shopping Centre (restaurant, shopping and movie precinct), reliable express bus transport and Prince Charles and St Vincents Hospitals. Burnie Bray Park provides a wonderful greenspace at the end of the street. You will be impressed from the moment you step inside and delay will ultimately mean disappointment if you don't act quickly. There's so much to love here... Features include:

- Positioned within short walking distance of the Westfield Chermide Shopping Centre precinct, public transport and the Prince Charles and St Vincent Hospitals.
- A small, low maintenance, low fuss complex of only 6 units
