Timeless Elegance is on display the moment you enter this beautiful church. Built in the 1800s the original features are all intact, from the gorgeous wooden beams that span the ceiling to the exquisite stained glass windows and lovely hanging kerosine lights. The church sits high and proud on a large slice of land consisting of 2 blocks with a combined total of 1.5 acres. This amazing property is located in the quiet village of Peel only 10 minutes from the CBD of Bathurst.
