With few original, and sizeable properties in Dinner Plain, that can comfortably accommodate a family, within an affordable price range, Whistler Lodge is a rare find. Located in the heart of the original Dinner Plain village yet tucked away from the main road down a private driveway, the home sits just a short stroll from the Dinner Plain Ski and Toboggan run and an easy walk from the cafes, shops and restaurants of Dinner Plain. The picturesque weatherboard façade features a stone entry with gabled portico, mirroring the two dormer windows, peeking out from the upstairs bedrooms. Inside, the entry-level comprises open plan living/kitchen/dining with access to the large deck. Off the open plan living is the master suite with BIR and ensuite, the laundry, and the drying cupboard. Upstairs are 2 double bedrooms both with large storage cupboards and cosy window beds, and a family bathroom inc. shower over bath. With heating provided by the log burner in the living area and panel heaters in the bedrooms, this homely chalet will keep your family in comfort without breaking the bank.
