The entrance to the suite opens up into a magnificent open plan living room/ bedroom which has a heat pump. The room features a large Italian black leather chaise lounge, a wall hung Samsung Smart TV, and a small dining table for 2. There is also a king size floating bed and bedside tables that are custom made with lighting around the base and in the bed head for creating a soft lighting effect. The bedside lights have 2 light settings and each one has a built in USB charger for your convenience. The bathroom is tiled from floor to ceiling with polished porcelain tiles. There is a walk in shower, custom made wall hung vanity, soft close toilet suite and quality European matte black tapware. The kitchen is custom made with soft close drawers and cupboards and quality German appliances which include convection oven/microwave, glass cook top, single drawer dishwasher, fridge/freezer, washing machine, toaster and kettle.\*Rental per week includes electricity, water, wi-fi and netflix. No pets.\*Please note the apartment size is 70m<sup>2</sup>, so it is quite spacious for a one bedroom! Lease term of 6 months or 12 months preferred. Inspections strictly by appointment.
